

SITE CODE: MZ	SU N°: 17216	MARZUOLU ARCHAEOLOGICAL PROJECT MANN
	AREA N°: 17000	
Date: 15 July 2022	Initials: LN	
Definition: Hammerscale deposit; probable metal working area		

Sketch of Plan: Include: 1. north arrow; 2. dimensions; 3. location of samples (if taken); 4. trench pts (if visible in plan); 5. slope (if relevant); 6. abutting architecture/adjacent or relevant features for reference; 7. numbers of all SUs visible in plan

Scale: 1sq =

Notes: The extents of 17216 were difficult to specify. Earlier on the hammerscale presented as an oval cut, but after we began excavating this apparent cut the northern boundary dove under 17215 (which I now think must have accumulated on top of 17216). Limits are more clear on the other sides,
